Abstracts

Luxury jewellery saw significant retail volume and current value declines in 2020 due to COVID-19. The economic impact of the pandemic greatly reduced consumer confidence and non-essential spending, whilst the temporary closure of non-essential retail outlets was also significant. E-commerce was unable to make up the shortfall, as luxury jewellery is not really suited to this channel. In addition, restrictions on social events reduced the number of occasions for which consumers might buy these p...
