Abstracts

Despite an ongoing decline in luxury timepieces (both men's and women's) in current value terms, the overall performance of luxury jewellery and timepieces in Germany was a positive one again in 2015, with 1% growth in current value terms. The reason for this is the continued growth in both men's and women's luxury jewellery. The quite different development between luxury timepieces on the one side and luxury jewellery on the other side started in 2013. The reason behind this is that maturity...
