## Abstracts

For the second year running, luxury portable consumer electronics is expected to register a fall in value sales and this is from an already very small base. That being said, while the fall in value sales in 2020 was in the double-digits, there is only expected to be a marginal decline in current sales in 2021. There is limited interest for luxury consumer electronics in Ukraine. However, luxury wearables garner a little more interest than luxury mobile phones, where value sales are negligible.

Euromonitor International's Luxury Portable Consumer Electronics in Ukraine report offers a comprehensive guide to the size and shape of the Luxury Portable Consumer Electronics market at a national level.
