## Abstracts

Luxury timepieces performed better in 2021 when compared with the previous year. Despite the enforced lockdowns around Germany at the beginning of the year, and then further restrictions on bricks-and-mortar retailing in an attempt to control the pandemic, luxury timepieces was still able to grow. Amongst higher-income individuals, the willingness to shop was very strong, especially after a long period of time when shopping was exclusively restricted to e-commerce, which still accounts for a min...
