## Abstracts

Luxury timepieces saw its sharpest current value decline in recent history in 2020, which was a result of efforts to mitigate the spread of COVID-19, including travel restrictions, store closures, and other limitations on in-store shopping. Both men's and women's luxury timepieces rebounded to growth in 2021. However, despite the easing of lockdowns, which enabled the largest store-based retail channels for the category to reopen, albeit with continued hygiene, social distancing and other restri...
