Abstracts

After recording double-digit volume and current value sales declines in 2020, luxury writing instruments and stationery has experienced a return to growth in 2021 as the economic climate in the Netherlands has improved and specialist stores have reopened thanks to the rollout of COVID-19 vaccines and the relaxation of public health restrictions. The fact that many people are still spending more time at home than usual due to the fallout of the pandemic has also helped to lift demand, as has stro...
