Abstracts

The revenue of machinery manufacturers experienced slower growth in 2019. The latter part of the year was especially challenging for domestic manufacturers, since, with a slowdown in the economy and in industrial production, the machinery industry witnessed a falling number of orders. The majority of German machinery companies were, however, able to sustain positive revenue growth, mainly due to their order backlogs. Uncertainties regarding a no-deal Brexit, trade conflicts with the US and a slo...
