## Abstracts

The production value of steam generators and engines and turbines (except aircraft, vehicle and cycle engines), as well as pumps, compressors, taps and valves, witnessed some of the most substantial increases in 2018. Saudi equipment and parts manufacturers continued to benefit from the Kingdom's increasing investment in oil and gas projects amid strengthening oil prices boosted by OPEC's production cap agreement. The estimated total value of fully completed oil projects (including both upstream...

Euromonitor International's Industrial reports provide a 360 degree view of an industry. The Industrial market report offers a comprehensive guide to the size and shape of the Machinery market at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change.

**Product coverage:** General Purpose Machinery, Special Purpose Machinery.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.

## Why buy this report?

Get a detailed picture of the Machinery market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and

leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems. With offices in London, Chicago, Singapore, Shanghai, Vilnius, Dubai, Cape Town, Santiago, Sydney, Tokyo and Bangalore and a network of over 800 analysts worldwide, Euromonitor International has a unique capability to develop reliable information resources to help drive informed strategic planning.
