## Abstracts

Mass beauty and personal care saw rapidly rising retail prices in Guatemala in 2023, with the country still suffering from high inflation that continued from the previous year. Though price hikes in 2023 were not quite as steep as in 2022, consumers became more conservative with their spending, benefiting sales in mass products to the detriment of growth for premium counterparts.

Euromonitor International's Mass Beauty and Personal Care in Guatemala report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth. Forecasts to 2028 illustrate how the market is set to change.
