Abstracts

Mass beauty and personal care products are usually targeted at the majority of the population in Indonesia, which is dominated by lower-to-middle-income groups. Consumers in these income groups tend to be price-sensitive; therefore, marketing campaigns, such as promotional discounts, cash back, etc, continued to be deemed effective ways to attract customers and sales at the end of the review period. For example, e-commerce retailers are popular avenues for mass beauty and personal care products,...
