Abstracts

In current retail value terms, mass beauty and personal care performed well in 2022, much of which was driven by a strong rise in unit prices due to overall inflationary economic conditions. While this challenged retail volume growth for some products, many areas of mass beauty and personal care in Nigeria, such as skin care, bath and shower, and oral care are deemed essential, and this enabled volume demand to remain positive, despite the challenging economic conditions.

Euromonitor International's Mass Beauty and Personal Care in Nigeria report offers a comprehensive guide to the size and shape of the market at a national level.
