Abstracts

Mass beauty and personal care saw dynamic current value growth in 2022, returning to the pre-pandemic level of sales as COVID-19 ceased to have an impact. Many mass beauty and personal care products are claiming multiple benefits, backed up by scientific research, dermatologically tested, and highlighting additional or new active ingredients. This tends to mean they are perceived as premium products. Thai consumers tend to shop for products by concentrating on the key benefit offered; however, m...
