## Abstracts

Countless new products were developed by local industry players in Tunisia in 2022. The Tunisian beauty and personal care industry is endeavouring to compete with international players by launching new brands at affordable prices compared to imported ones. In 2022, several new ranges in the skin care, sun care, and men's grooming products made an entry. Much of the development of the local industry was stimulated by diminishing purchasing power among several demographics who had previously veere...
