Abstracts

The company faces greater competition and challenges and is committed to defend its position in toys and games in the Netherlands with greater investment in new product development and advertising. Mattel is set to consolidate in product categories where it already holds a strong position, such as dolls and accessories or model vehicles.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Traditional Toys and Games, Video Games.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
