Abstracts

Ready meals continues to benefit from the convenience trend in Israel, reflected in healthy current value growth in 2023. The enduring popularity of pizza has enabled it to register the strongest current value growth. Still, many local consumers value fresh, healthy food and welcome the nutritional content of modern frozen ready meals, as well as the lack of preparation time involved in consuming them. Frozen schnitzel, including vegetarian schnitzel, is already very popular in Israel, but other...
