## Abstracts

Between 2010 and 2015, Mega Disposables SA invested over EUR50 million on improving its production facilities, expanding its product portfolio and research and development and the company also increased the size of its workforce by 60%. Amidst this investment, the company witnessed impressive growth across all of the categories in which it is present, making it the fastest growing player in retail hygiene in Greece, with Every Day, in particular, being among the most dynamic brands in the catego...
