Abstracts

This Megatrends report highlights long-term trends resulting from shifts in consumer values and behaviour. It provides a summary of each of Euromonitor International's 10 focus megatrends and insights as to how each trend has manifested in Spain.

Euromonitor's Megatrends in Spain report analyses factors influencing national consumer expenditure. Consumer lifestyles reports include coverage of: population, urban development, home ownership, household profiles, labour, income, consumer and family expenditure, health, education, eating habits, drinking habits, shopping habits, personal grooming, clothing, leisure habits, savings and investments, media, communication, transport and travel and tourism. Use this report to understand the factors influencing a nation's lifestyle choices.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
