Abstracts

Menstrual care in Guatemala registered modest constant value and volume growth in 2023, in spite of continuing rising prices. Continuing population growth supported volume growth. That being said, a large proportion of the population still cannot afford menstrual care products and there is also a significant proportion of households that have no toilets. This continued to dampen volume sales. However, players are active in highlighting this issue. For instance, the Always brand (Procter & Gamble...

Euromonitor International's Menstrual Care in Guatemala report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023, allowing you to identify the sectors driving growth.
