## Abstracts

2020 saw sudden decline in metal products as construction sites across the country were shut down in the wake of the COVID-19 outbreak. In addition to the closure of construction sites, commercial demand for real estate also dropped as business confidence shrunk. A number of infrastructure projects were also put on hold in the first half of 2020, while closure of real estate brokerage, notaries and other services, coupled with drop in consumer confidence and disposable household income, also add...
