Date: September 2016

Pages: 2

Price: US\$ 150.00 (Single User License)

ID: M271EC40A39EN

Abstracts

MetalArts will continue to focus on offering attractive metal tins in the forecast period. The company's tins are likely to benefit from being used as promotional packaging by companies, while also increasingly being viewed as collectible by Dutch consumers. The company will benefit from its strong focus on customisation, high quality and wide range of options. This range is meanwhile likely to expand further as MetalArts continues to invest in innovation.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
