Price: US\$ 150.00 (Single User License)

ID: M85E6B4FF70EN

Abstracts

Mikroprybor SP TOV is expected to remain the biggest chained operator in watches distribution through its Secunda chain of jewellery and watch specialist retailers stores. The company opened one new outlet recently but is not expected to expand its outlet network significantly in the near future due to the comparatively sluggish performance of watches in Ukraine overall. Consumers are set to continue to economise and postpone replacement of items such as watches in the short term.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Bags and Luggage, Jewellery, Watches, Writing Instruments.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
