Abstracts

Mineralbrunnen ?berkingen-Teinach expects considerable net profits in 2016 and beyond. The company has completed its restructuring efforts, which started in 2010, and which mainly comprised adaptation to lower demand for its mass brands in bottled water and juice. With the exception of its alcoholic drinks operations, the company has no interests other than soft drinks. Although it has a nationwide distribution network, its operations remain focused on the state of Baden-W?rttemberg.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
