## Abstracts

Vodacom effectively launched VodaPay, a super-app created in partnership with Alipay. The service is available to all mobile networks in South Africa and zero-rated for Vodacom customers. VodaPay plans to provide consumers with a seamless shopping experience, by giving them access to over 30 retailers across different channels, including leading players such as Massmart and Clicks, as well as pure online players and third party delivery companies such as NetFlorist and One Card. The platform als...
