Abstracts

The choice of a significant percentage of the world's population, concentrates are an oft-overlooked category, yet one which offers a connection to the vast and growing purchasing power wielded by low-income consumers the world over. At the same time, the category's versatility offers real possibilities in value-focused developed markets. In this new report, Euromonitor International explores the continuing development of this most versatile (and portable) of all soft drinks categories.

Euromonitor International's More Than Meets the Eye: The World of Concentrates global briefing offers an insight into to the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on value and volume for both off trade and on trade.

Product coverage: Asian Speciality Drinks, Bottled Water, Carbonates, Concentrates, Fruit/Vegetable Juice, RTD Coffee, RTD Tea, Sports and Energy Drinks.
