Abstracts

Nampak is expected to benefit from its willingness to follow industry trends in the forecast period. The company launched aluminium metal beverage cans in South Africa towards the end of the review period and it is set to expand its range of these cans in the forecast period. The company should benefit from the eco-friendly nature and low-cost of these cans, as well as from offering the lightest 750ml wine bottles in the country. The company is expected to approach recycling as an integral...
