Abstracts

Naturally healthy beverages continued to see steady growth in current value terms in 2021, albeit slightly slower than the growth seen in 2020. Sales have benefitted from the effects of COVID-19 on consumption habits. The increased number of people working and studying from home lifted retail sales of NH tea in particular, with these products also benefiting from a range of health claims. Sales of NH bottled water, which is one of the largest product groups in naturally healthy beverages, also b...
