Abstracts

Naturally healthy (NH) packaged food is the biggest health and wellness packaged food category because these products are more ubiquitous and affordable. Generally, NH packaged foods saw consistent retail value sales growth during the first three years of the review period. During 2020, however, NH packaged food registered a larger increase in sales due to stockpiling and many consumers eating at home more often. Conversely, impulse products such as NH cereal bars and NH fruit and nut bars regis...
