Abstracts

Naturally healthy is the second largest product area in terms of value sales within health and wellness packaged food. The sector has benefitted from the pandemic, with healthy current value and volume growth both in 2020 and 2021 and higher than the growth registered prior to the pandemic, as consumers focus more on eating healthily. NH high fibre food dominates product area, with NH high fibre bread being the best seller, followed by NH high fibre breakfast cereal. However, the standout perfor...
