## Abstracts

Nestl? SA is the leading company in packaged food, but with a decreasing share of the market. To maintain its first position, the company is focusing on high-growth categories and countries. The purchase of the recipe box supplier Freshly in the US and the meal kit service Mindful Chef in the UK demonstrates its interest in booming meal solutions. 2020 has brought new challenges and its focus on digitalisation, value for money and sustainability will be key for Nestl? to win in the new normal.

Euromonitor International's Nestl? SA in Packaged Food (World) Company Profile offers detailed strategic analysis of the company's business, examining its performance in the Packaged Food market.
