Abstracts

Netpak Philippines Inc is expected to focus on expanding its presence in beauty and personal care, and home care over the forecast period. This is to strengthen its presence in packaging in the Philippines, and achieve leadership beyond just consumer healthcare. Research and development will be key for the player as it seeks to introduce new packaging products to meet the evolving needs of manufacturers in these categories.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
