Abstracts

New Belgium Brewing Co is one of the fastest-growing privately-owned craft breweries in the US. As of January 2013, the company's employee stock ownership program (ESOP) had purchased the balance of company shares, thereby making the company 100% employee-owned. It is currently in expansion mode and has recently begun the process of building a second facility in Asheville, North Carolina, which is expected to begin producing beer in 2015. Additionally, the company is set to expand distribution...
