Abstracts

Despite the negative performances recorded by its core packaged food categories of fish sauce and confectionery during the review period, Ngoc Nghia Group plans to remain persistent in its approach to its operations in these categories. In order to achieve its goals, the company is expected to focus on PET packaging production in order to generate higher revenues and finding sufficient capital resource to maintain its operations in this business area.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
