## Abstracts

For the first time in the modern history of the tobacco industry, the last decade has seen the emergence of a viable alternative to the cigarette, altering consumer preferences and use patterns. The Nicotine Survey offers insight into the pace and depth of this alteration, tracking consumer migration from traditional tobacco categories, such as cigarettes, into emerging product types, and gauges changing public attitudes.

Euromonitor International's Nicotine Survey 2021: Key Insights and System Overview global briefing offers an insight into to the size and shape of the Tobacco market, highlighting major industry trends and categories as well as the factors affecting operating environment. It identifies the leading companies and brands, offers impartial, strategic analysis of key factors influencing the market - be they new product developments, legislative restrictions or pricing influences. Forecasts illustrate how the market is set to change and where it is headed.

**Product coverage:** Cigarettes, Cigars, Cigarillos and Smoking Tobacco, Smokeless Tobacco, E-Vapour Products and Heated Tobacco.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
