ID: NC52C7A711FEN

Abstracts

Niederösterreichische Milch Holding AG will continue focusing on adding value through innovation during the forecast period. As the Austrian dairy products category is largely mature and features rather strong competition, the company will ward off commoditisation over the forecast period and differentiate its range via innovation. The company will also focus on health and wellness products in the future, paying special attention to freshness and naturalness.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Health and Wellness by Category, Health and Wellness by Prime Positioning, Health and Wellness by Type.
