Abstracts

Nihon Yamamura Glass will continue to focus mainly on glass bottles in the forecast period and aims to introduce more sophisticated finishes and ornamenting technologies such as pre-labelling. The company will focus more on premium and limited edition glass bottles, with these likely to perform well in areas such as luxury spirits and craft beer. The company may also expand in areas such as premium beauty and personal care. The company will also continue to innovate within plastic closures,...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
