## Abstracts

Nike Japan Co Ltd aims to further strengthen its position in sports clothing and footwear through advertising on television and in other media. Towards the end of the review period, the company particularly focused on the development of running wear and the advertising of running events and campaigns through the company's homepage, in response to the recent running and exercise boom among consumers.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

**Product coverage:** Clothing, Footwear, Sportswear.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
