Abstracts

Nissin Food Products announced its five year Medium-Term Business Plan 2021 in May 2016. This will see the company focus on improving productivity, product quality and its supply framework. The company's new Kansai Plant will assist Nissin in achieving its goals by utilising greater automation and streamlined production, particularly when it becomes fully operational with a daily production capacity of almost 3.2 million servings in instant noodles. The company will also continue to invest heavi...
