## Abstracts

Chemists/pharmacies is expected to face some changes in the coming years. The Estonian government accepted a law that in 2020 the majority ownership of a pharmacy should be held by a pharmacist. Currently, many pharmacists are part of large distribution chains. The idea is to improve the quality of service and not simply follow the business interests of the owners. Despite opposition from the distribution chains and the fact that not all pharmacists want to become entrepreneurs, the law is likel...

Euromonitor International's Non-Grocery Specialists in Estonia report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.
