Abstracts

Non-store retailing recorded current value growth of 9% in 2016, with sales reaching EUR281 million. The main driver of this growth was internet retailing, with the penetration of mobile internet retailing continuing to increase. Other non-store channels achieved mixed results in 2016, while vending also managed to record current value growth of 5% as the channel is underdeveloped and consumer demand is picking up. More traditional homeshopping and direct selling channels posted respective 2% an...
