Abstracts

Nopa will endeavour to ensure its standing as the leading private label producer for home care in Denmark. This will entail continuous investment in meeting the increasingly advanced product needs of retailers, especially in relation to the addressing of environment and sustainability concerns. Nopa states the end user and customer focus set the direction for the company. Accordingly, customer insights and product innovation will remain integral in forming its strategic direction.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
