Date: November 2016

Pages: 3

Price: US\$ 150.00 (Single User License)

ID: N13710D2E0FEN

Abstracts

The main aim of Nord PAT for the forecast period is to recover from the negative influence that the military action in eastern regions of Ukraine have had on its operations in recent years. The company is expected to wait until military action will have stopped completely in Ukraine before resuming the manufacture of major appliances. At the moment, the company plans to continue using its capital assets to fund its operations while saving its circulating assets.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
