Abstracts

Due to the lifting of restrictions on group sizes and outdoor activities in April 2022, more people in Singapore started going back to the office for work. According to Euromonitor International's Voice of the Consumer: Nicotine survey, smoking has seen an increase amongst individuals who are experiencing continued anxiety due to the pandemic, concerns about financial and job security, along with increasingly busy lives. Some individuals who had initially shown an interest in NRT smoking cessati...
