Abstracts

The company is focused on ensuring its systems will remain stable and functional so that it can cope with the aggressive growth of scale while not harming the quality of client service. Thus, Nubank is expected to continue to improve its efficiency. To that end, the company will aim to expand its client base, operating on reduced costs (especially staff-related) in order to become profitable.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
