Abstracts

In 2014 O-I announced that is planning to invest EUR55 million in its plants in Italy and this is due to the strong growth being seen in the use of its packaging in wine and beer. These funds were initially used to revamp its plants located in southern Italy, including the Ottaviano, Naples and Bari plants, and this was followed by the renovation of its plants in northern Italy. The main aim of this process has been to revamp machinery and develop new processes in order to improve environmental...
