Abstracts

The main goals for O-I Manufacturing Netherlands BV is to strengthen agreements with key clients in order to develop improved products in glass packaging. The focus will be geared towards producing more efficient products, requiring less raw material to make it more resistant and lighter for the consumer. The concept is to provide clients with greater flexibility and the possibility to quickly adapt formats or develop special needs packaging, such as special editions.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
