Abstracts

OBI Ceska Republika will focus on retaining its leading position in home improvement and gardening stores. In 2015, the company announced it would take over all outlets from Baumax CR sro, which exited the marketplace at the end of the year. However, due to the company's already strong position, it is expected to only be allowed to take over six outlets. In 2016, the company's main goal will be the integration and refurbishment of these new outlets.
