Abstracts

Oerlemans Packaging will continue to invest in its production facilities in the forecast period in order to offer optimum quality and range. In 2016 the company acquired a Windmoller & Holscher 10-colour printing press for its new production facilities in Giessen, which opened in January of that year. The company is focused on a strong long-term expansion plan, with its Giessen site offering scope for further expansion. The company also acquired Dutch laminate foil producer Flexpak in April...
