Abstracts

During the forecast period it is Omega Pharma's aim to further diversify its activities via new acquisitions and distribution contracts – for instance Dompé products, after the agreement between Dompé and Omega Pharma for the international distribution of the Italian company's OTC product range. It will continue to focus on several key areas: dermocosmetic/skin care products, cough and colds, antiparasitics, "classic" (pregnancy tests, dietary supplements, weight management) and its dozens of mu...
