Price: US\$ 150.00 (Single User License)

ID: O81153D55BFEN

Abstracts

After strengthening its presence in Colombia with the opening of its manufacturing plant in Caloto, Cauca, the company is concentrating on opening more regional distribution centres to reduce the delivery costs for distributors, allowing them to go directly to purchase the product. It is important to note that the Colombian plant is in charge of supplying products for South America. The company has also developed new products to expand its weight management portfolio like Thermogen Coffee,...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
