## Abstracts

Although digital as a channel has actually been gaining in prominence across some industries during the COVID-19 pandemic, such as retail and consumer foodservice, it will likely have an adverse impact on online travel intermediaries (OTAs). However, this will be less to do with this channel suddenly becoming unattractive to Indian consumers, and more to do with the restrictions placed on travel and tourism activities, including lockdowns and border closures, making it difficult for companies to...

Euromonitor International's Online Travel Sales and Intermediaries in India report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2015-2019, allowing you to identify the sectors driving growth.
